

Stakeholders Feedback Analysis

Date: 26-05-2025

Feedback summary on curriculum collected from different stakeholders for the academic year 2024-2025.

Student feedback analysis:

We solicited feedback from our students of all courses. This feedback form is based on a five-point rating scale and is used throughout the curriculum. The students thought that each courses objective was obvious, and that the course workload was also manageable. The syllabus was designed to be socially relevant and fit for modern technology placements.

NOTE: Total number of student feedback samples taken: 591

S. No	Questions	Excellent %	Very good %	good %	Satisfactory %	Unsatisfactory %
1.	How do you rate the sequence of the courses that you have studied are in sequence to what you have studied in the previous semester?	94.1	5.9	0	0	0
2.	How do you rate the relevance of the units in syllabus relevant to the course?	66.7	33.3	0	0	0
3.	Rate the courses in terms of extra learning or self-learning considering the design of the courses	73.8	26.2	0	0	0

Employers Feedback Analysis:

Industries/Companies are important stakeholders, and their feedback helps us to improve our student's employability. We've gathered input from our employers by asking them to remark on the curriculum. They believed that the curriculum broadens their understanding of how to apply discipline subjects, principles, and concepts. The curriculum aids in the development of critical thinking and creativity.

Parent Feedback Analysis:

We gathered feedback from parents using a five-point rating scale across all curriculum components. Parents indicated that the course objectives were transparent and helped them understand their ward's learning goals. They observed that their ward could handle the academic workload comfortably without being overwhelmed. Parents valued the curriculum's focus on contemporary social issues and its alignment with current technology industry requirements. They expressed satisfaction that the program was equipping their children with relevant skills and enhancing their prospects for successful career placement upon graduation.
