1. A perfect blend of academics and extracurricular activities, helping students grow holistically."
2. The college encourages leadership, teamwork, and innovation through clubs and competitions."
3. A strong support system, including career guidance and placement opportunities, ensures a bright future for students."

good

Helps with achieving goals, inspires creativity, boosts emotional intelligence and encourages self confidence.

Satisfied with the institution

Spread the word and motivate other students to publish in journals.

Raising awareness and promoting more student journal publications

Good, excellent, marvelous, amazing

Design to help people become more self aware and understand people better, so that people can set goals that will make people feel truly fulfill once you achieve them.

None

All Faculty is excellent

Everything is good.

Ok

Through reflective journals, learners have the freedom to articulate their thoughts, emotions, and insights in a creative and personal manner.

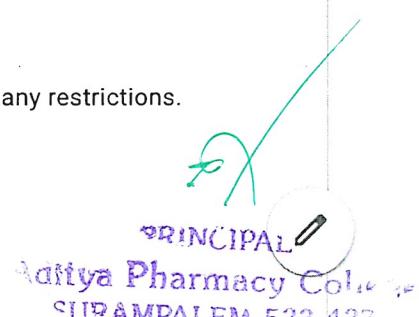

Aditya pharmacy college is one of the best college in AP having good laboratory equipments and Qualitative facualty with sound knowledge in teaching which is really beneficial for the students to achieve success in the life.

Encouraging the candidates for more publications in journals

Really good

Encourage the students to participate in more campus drives without any restrictions.

Everything is good

Facility is Excellent

SIJRAMPLEM 533 437

Good 

Thanku

No comment

The curriculum is well-structured and covers essential topics relevant to the field. The practical sessions are particularly helpful in reinforcing theoretical concepts. Including more case studies and interactive sessions could further enhance the learning experience.

All good

Each campus drive is a stepping stone; make the most of all opportunities that come your way.

Gud

No

Nice management

Very excellent

Urge students to seize every opportunity in campus placements without limitations."

Everything Alright

Good at all

Reduced stress, improved emotional regulation increased mindfulness and memory and problem solving skills.

Better to make more interaction between the students and faculty towards the career opportunities and guidance

It's good to have such a supporting faculty.

all faculty are so much cooperative

All faculties are good

It works to encourage the students to participate in the college

PCI curriculum is the best
