To
IBSC,
AMTZ Campus, Visakhapatnam.

Respected Sir,

Subject: Requesting Permission for Industrial Visit for 3rd Year B.Pharmacy Students of Aditya Pharmacy College on 01/03/2025 – Reg.

Aditya Pharmacy College, Surampalem, is committed to providing our students with comprehensive practical exposure to the pharmaceutical and medical device industries. In furtherance of this, we would like to request permission for our 3rd year B.Pharmacy students to undertake an industrial visit to your esteemed facility at IBSC AMTZ on 01/03/2025.

We believe that a visit to your industry will significantly enhance our students' understanding of the industrial exposure. This exposure will complement their theoretical knowledge and provide valuable insights into the practical applications of their studies. We will ensure that our students adhere to all the safety regulations and guidelines stipulated by your organization.

We understand the importance of maintaining a smooth workflow within your facility and are flexible in accommodating your preferred timings for the visit, within the hours of 09:00 AM to 3:00 PM.

We would be grateful if you could kindly consider our request and grant us permission for this educational visit. We are confident that this experience will be highly beneficial for our students and contribute to their professional development.

Thank you for your time and consideration.

Acknowledged and accepted
G. Rajeswari

Yours Sincerely,

PRINCIPAL
Aditya Pharmacy Coll.

INDUSTRIAL VISIT REPORT

Activity Report: Industrial Visit to AMTZ Company, Atchyuthapuram SEZ, Visakhapatnam

Date: March 1st, 2025

Participants: 3rd B. Pharmacy students

Number of students participated: 104

On March 1st, 2025, 3rd-year B. Pharmacy students from Aditya Pharmacy College undertook an industrial visit to the Andhra Pradesh MedTech Zone (AMTZ), located in Visakhapatnam. The visit aimed to provide the students with firsthand exposure to the medical technology industry, a crucial and rapidly evolving sector within healthcare.

During the visit, students were given a guided tour of the AMTZ facilities, which included insights into the manufacturing processes of various medical devices and equipment. They had the opportunity to observe the advanced technologies and quality control measures implemented at AMTZ, gaining a practical understanding of the regulatory standards and good manufacturing practices (GMP) within the medical device industry.

The students interacted with industry professionals at AMTZ, who provided valuable information about the design, development, production, and quality assurance of medical devices. This interaction helped bridge the gap between theoretical knowledge acquired in the classroom and its practical application in a real-world industrial setting. The visit exposed the students to the interdisciplinary nature of the medical technology field, highlighting the role of pharmacists in areas such as regulatory affairs, quality control, and the development of drug-device combination products.

The industrial visit to AMTZ proved to be an enriching experience for the 3rd-year B. Pharmacy students, providing them with a broader perspective on the pharmaceutical and healthcare landscape. It enhanced their understanding of the medical device industry's significance and the potential career pathways available to pharmacy graduates in this sector.

REPORT ON MSN LABORATORIES VISIT TO ADITYA PHARMACY COLLEGE

Activity Report: MSN Laboratories Visit to Aditya Pharmacy College

Date: April 4th, 2025

Participants: 4th B. Pharmacy Students

On April 4th, 2025, MSN Laboratories conducted a visit to Aditya Pharmacy College in Surampalem, marking a significant engagement with the institution's 4th-year B. Pharmacy and M.Pharmacy students. The visit aimed to provide students with valuable insights into the pharmaceutical industry, specifically focusing on MSN Laboratories' operations and its recruitment processes. Representatives from MSN Laboratories delivered an informative presentation, detailing the company's profile, its diverse product portfolio, and its contributions to pharmaceutical research and development. The session also highlighted the various career opportunities available within MSN Laboratories for pharmacy graduates, spanning areas such as pharmaceutical production, quality control, research and development, and regulatory affairs.

A key focus of the interaction was a comprehensive overview of MSN Laboratories' hiring process. The representatives elucidated the various stages involved, from initial application and screening to interviews and final selection. They provided practical guidance and tips to the students on how to prepare effectively for each stage, emphasizing the importance of strong academic performance, relevant skill sets, and a positive attitude. The students were particularly keen to learn about the specific skills and qualifications that MSN Laboratories seeks in potential candidates, including knowledge of pharmaceutical sciences, analytical techniques, regulatory guidelines, and communication skills.

The visit also included an interactive session where students had the opportunity to ask questions and engage in discussions with the MSN Laboratories representatives. This provided a platform for students to clarify their doubts, seek career advice, and gain a deeper understanding of the industry's expectations. The representatives shared their personal experiences and offered valuable insights into the challenges and rewards of working in the pharmaceutical sector. The overall response from the students was overwhelmingly positive, with many expressing their appreciation for the opportunity to interact directly with industry professionals. The visit is expected to have a positive impact on the students' career aspirations and their preparation for entering the pharmaceutical industry.

REPORT ON LAURUS LABS VISIT TO ADITYA PHARMACY COLLEGE

Activity Report: Laurus Labs Visit to Aditya Pharmacy College

Date: March 1st, 2025

Participants: 4th B. Pharmacy Students, 2nd M. Pharmacy students

On March 1st, Laurus Labs conducted a campus visit to Aditya Pharmacy College in Surampalem, engaging with students from the 4th year B. Pharmacy and M. Pharmacy programs. Representatives from Laurus Labs provided an overview of the company's operations, research and development activities, and its significant role in the pharmaceutical industry. The interaction aimed to bridge the gap between academia and industry, offering students valuable insights into the professional landscape and potential career pathways within a leading pharmaceutical organization. Students actively participated in the session, demonstrating keen interest in the information shared about drug development, manufacturing processes, and the overall pharmaceutical business.

The Laurus Labs team also detailed their hiring process, outlining the various stages involved in recruitment. They emphasized the importance of academic performance, relevant skills, and a strong aptitude for research and development roles. The company representatives explained that their hiring typically involves initial application screening, followed by aptitude tests, technical interviews assessing subject knowledge and problem-solving abilities, and finally, HR interviews evaluating soft skills and cultural fit. They highlighted the opportunities available for both fresh graduates and postgraduate students across different departments within Laurus Labs, encouraging students to focus on building a strong foundation in their respective specializations and to cultivate a proactive approach towards their career aspirations in the pharmaceutical sector.

REPORT ON WORLD ORGAN DONATION DAY ACTIVITY AT TRUST HOSPITAL

Date: August 13, 2024

Participants: Pharm. D intern students of Aditya Pharmacy College

Venue: Trust Hospital, Kakinada

On August 13, 2024, the Pharm. D intern students of Aditya Pharmacy College organized a comprehensive event at Trust Hospital to commemorate World Organ Donation Day. The event featured insightful lectures by renowned medical experts, including Dr. Y. Kalyan Chakravarthy, Managing Director of Trust Multispeciality Hospitals, and Dr. D. V. S. Somayajulu, Senior Consultant Nephrologist. The experts provided in-depth information about the importance of organ donation, the process of transplantation, and the significant impact it can have on patients' lives.

An interactive Q&A session followed the lectures, allowing participants to clarify their doubts and gain a deeper understanding of organ donation. The students facilitated the session, ensuring that all questions were addressed effectively.

To encourage active participation, the event included a pledge drive where attendees were invited to sign a pledge form, committing to become organ donors. The event also featured a vibrant awareness campaign, with posters and banners displayed throughout the hospital, highlighting the importance of organ donation. The event was a resounding success, drawing a significant number of participants from the community. The event reinforced the critical role that organ donation plays in saving lives and improving the quality of life for those in need.

INDUSTRIAL VISIT REPORT

Activity Report: Industrial Visit to Hetero Drugs Pvt.Ltd. Company, Nakkapalli, Anakapalle.

Date: January 28th, 2025

Participants: 4th B. Pharmacy students

The 4th-year B.Pharmacy students of Aditya Pharmacy College, Surampalem, undertook an enriching industrial visit to Hetero Drugs Pvt. Ltd., a leading API (Active Pharmaceutical Ingredient) manufacturing unit located in Nakkapalli, Anakapalle District, on 28th January 2025. Accompanied by their esteemed mentors, Dr. G. Sowjanya and Dr. P. Bhasker Raju, the students gained valuable insights into the pharmaceutical manufacturing process, significantly enhancing their practical understanding of the industry.

Hetero Drugs Pvt. Ltd. provided a comprehensive overview of their API manufacturing processes. The students were guided through various departments, gaining firsthand experience of Raw Material Handling and Storage, Synthesis and Processing, Quality Control and Assurance, Environmental Safety and Sustainability.

The students actively engaged with the staff at Hetero Drugs, asking questions and clarifying their doubts. The experienced professionals shared their expertise, providing valuable insights into the challenges and opportunities in the API manufacturing sector.

The industrial visit to Hetero Drugs Pvt. Ltd. proved to be an invaluable learning experience for the 4th-year B. Pharmacy students. It provided them with a practical perspective on the API manufacturing industry, complementing their theoretical knowledge and enhancing their understanding of the pharmaceutical sector.

INDUSTRIAL VISIT REPORT

Activity Report: Industrial Visit to AMTZ Company, Atchyuthapuram SEZ, Visakhapatnam

Date: August 14th, 2024

Participants: 4th B. Pharmacy students

The fourth-year students of Aditya Pharmacy College had a valuable industrial visit to AMTZ, Visakhapatnam, on August 14th, 2024. During the visit, students gained first hand exposure to the pharmaceutical manufacturing process, witnessing various stages from formulation to quality control.

The visit also highlighted the importance of Good Manufacturing Practices (GMP) and regulatory compliance in ensuring product safety and efficacy. Students learned about quality control measures, including sampling, testing, and documentation. Overall, the visit was a valuable learning experience, bridging the gap between theoretical knowledge and practical applications. The students expressed enthusiasm for the opportunity to explore the pharmaceutical industry first hand. The staff at AMTZ was knowledgeable and cooperative, providing clear explanations of the various processes and equipment. The visit helped Students Bridge the gap between theoretical knowledge and practical applications, enhancing their understanding of the pharmaceutical industry.

The industrial visit to AMTZ was a successful endeavor that provided students with a valuable opportunity to learn about the pharmaceutical industry firsthand. The experience has undoubtedly enhanced their understanding of the subject and prepared them for future careers in the field.
