Contact no: 08749922209.

Aditya Pharmacy College organized a career guidance program on "**Pharma Prep: GRE, TOEFL, IELTS, SAT & MAT**" on 21-06-2024 to III, IV, V, VI Pharma D students. The event was in collaboration with Leo Global Overseas. **Ms.Mousmi**, the career coach, led the session.

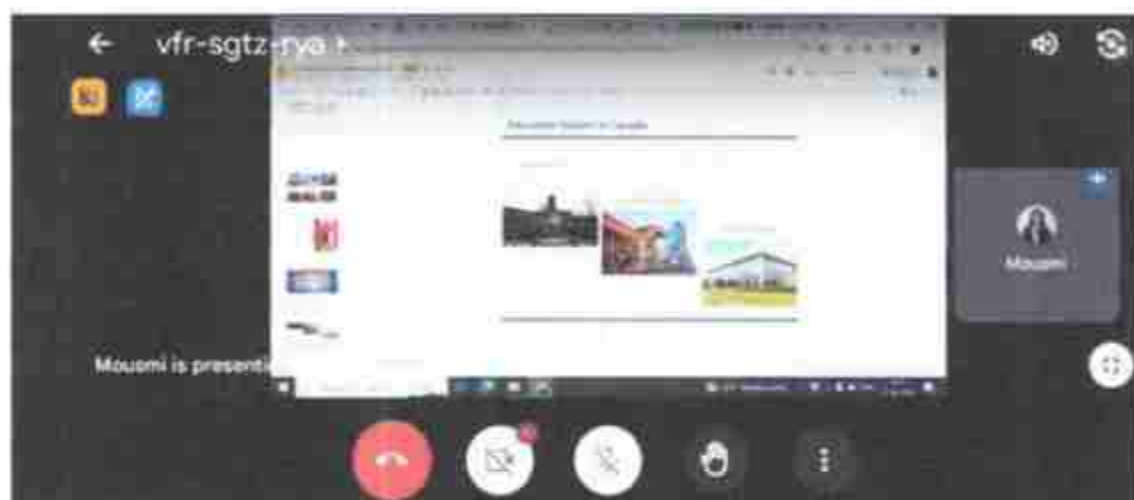

The initiative, conducted in association with Leo Global Overseas, focused on guiding students through the process of preparing for globally recognized exams. Ms. Mousmi, the Campus Manager, engaged the audience with detailed explanations about the purpose, scope, and application procedures associated with exams such as the GRE, TOEFL, IELTS, SAT, and MAT.

The session emphasized the significance of early preparation, selection of appropriate test modules based on academic and career goals, and strategic planning to enhance chances of success. Students received valuable tips on time management, resource selection, and exam patterns. Real-time examples and success stories added practical relevance to the session. The program fostered a deeper understanding of international education pathways and encouraged students to pursue global opportunities with clarity and confidence.

99 students attended the session among which 31 students are from III Pharma D, 20 students from IV PharmaD, 20 students from V PharmaD and 28 students from VI PharmaD attended the session. Students expressed their happiness with the session. **Ms.Ch.L.Madhavi** coordinator of the session thanked **Ms.Mousmi** for his insightful contribution.

Aditya Pharmacy College organized a career guidance program on "LinkedIn for Pharma professionals: Building your career networks" on 22/06/2024 to V & VI PharmaD and IV B.Pharm students in association with FACE Academy from 2:00 pm to 4:00 pm. Mr. Vikrant has taken over the session.

Mr. Vikrant, known for his expertise in digital professional branding, shared valuable insights into how pharmacy students can strategically use LinkedIn to enhance their visibility in the job market. He discussed the importance of maintaining a strong online presence, curating a professional profile, and showcasing academic and research accomplishments effectively.

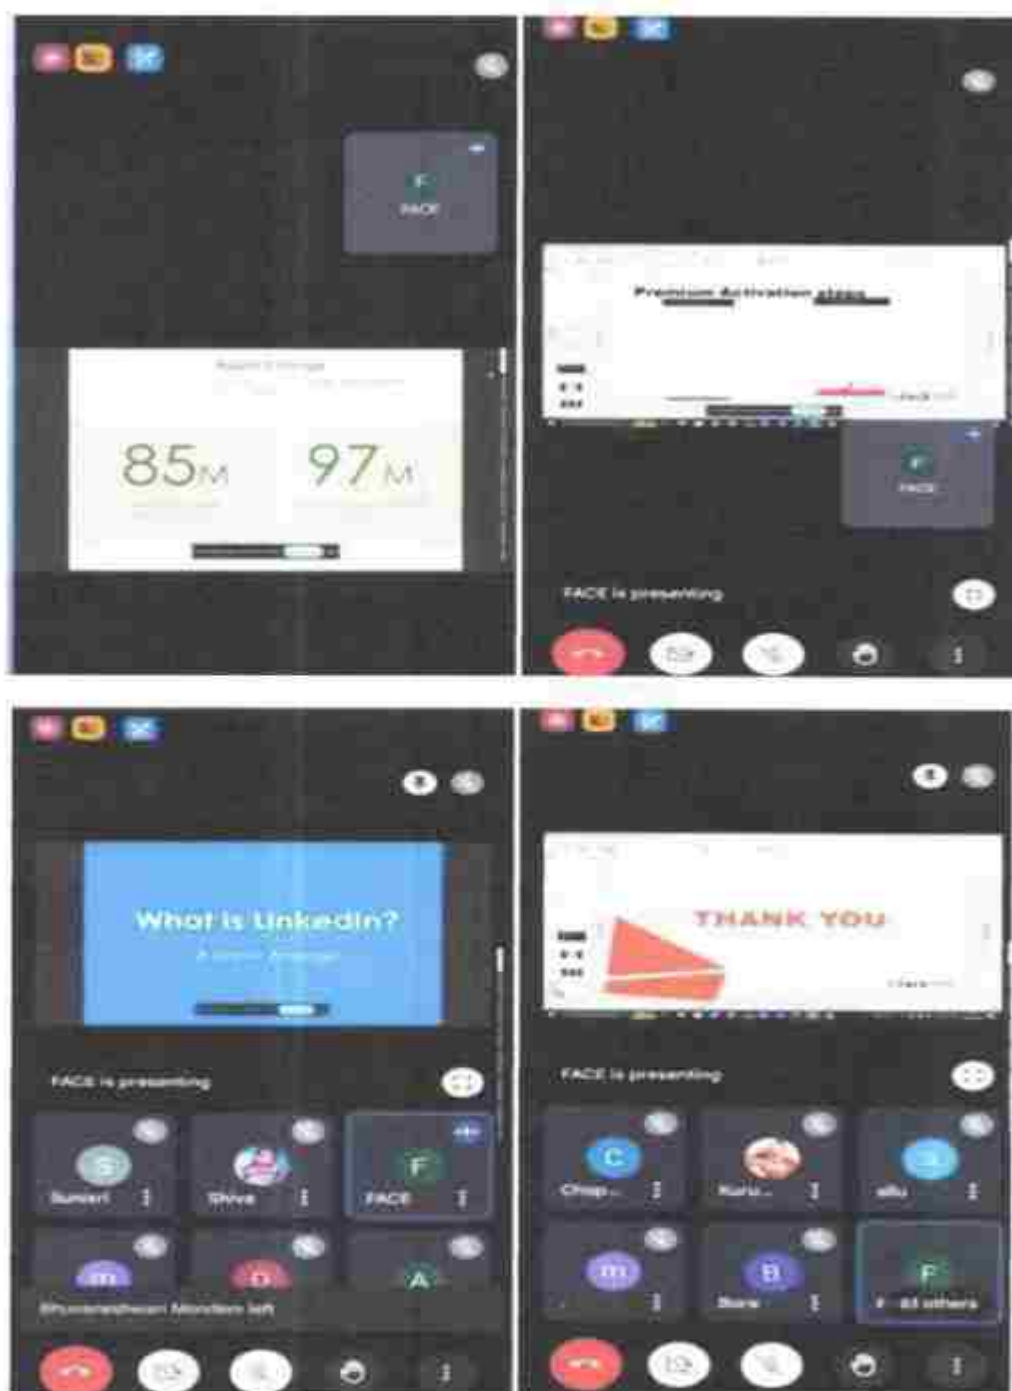

The session also included tips on networking with alumni, industry experts, and recruiters, as well as joining relevant groups and communities to stay updated on industry trends. Practical demonstrations on sending connection requests, posting professional content, and using the job search features of LinkedIn added hands-on value.

Students appreciated the clarity and relevance of the session, especially in the context of the evolving pharmaceutical landscape. The hybrid mode of delivery ensured inclusive participation, and the event concluded with positive feedback and enthusiasm for implementing the strategies discussed.

144 students attended the session among which 20 students are from V Pharma D, 28 students from VI PharmaD and 96 students from IV B.Pharm attended the session. Students expressed their happiness with the session. Ms.Ch.L.Madhavi, coordinator of the session has thanked Mr. Vikrant for such informative and interactive session.

REPORT

Name of the Program	: Pathway to Success: Awareness on Pharma Jobs and Higher studies
Date	: 13/08/2024
Resource person details	: Mr.Ch. Uma shankar, Managing Director, Mr.Ch. Uma shankar, Managing Director, Dr.S.Jyothi, Academic Director, Mr.T.V.R Upendra, Academic mentor & Consultant, Es Pharma Education, Hyderabad, Contact no: 9030068824.

Aditya Pharmacy College organized a career guidance webinar on **"Pathway to Success: Awareness on Pharma Jobs and Higher studies"** on 13/08/2024 to III & IV B.Pharm students. Ms.Ch.L.Madhavi, coordinator from career counselling cell.

The session aimed to educate students on various career avenues and academic prospects available within the pharmaceutical field. The program featured eminent speakers from Es Pharma Education, Hyderabad, including Mr. Ch. Uma Shankar, Managing Director; Dr. S. Jyothi, Academic Director; and Mr. T.V.R. Upendra, Academic Mentor and Consultant. Each speaker brought unique insights into the current trends in pharmaceutical careers, opportunities in government and private sectors, and pathways to pursue higher education both in India and abroad.

The session highlighted preparation strategies for competitive exams, career planning based on student interests, and emerging roles in clinical research, regulatory affairs, and industrial pharmacy. Interactive discussions and real-world guidance helped students gain clarity on choosing the right path aligned with their goals.

214 students have attended the session among which 118 students from III B.Pharm, 96 students from IV B.Pharm. Ms. Ch.L. Madhavi and Dr. Deepika, the session coordinators, expressed their gratitude to the guests for delivering such a concise and informative session.

Aditya Pharmacy College organized a career guidance program on "Awareness seminar on Overseas (Abroad) Aditya Pharmacy College hosted a career-oriented session titled *"From Lab to Market: Exploring the Pharma Industry"* on 9th September 2024. The objective of the program was to provide students with a clear understanding of how pharmaceutical innovations transition from research laboratories to commercial markets, highlighting the diverse career opportunities available in this journey.

The session was delivered by Ms. Diksha S, Assistant Manager at ClinIndia, Hyderabad. Drawing from her practical experience, Ms. Diksha explained the various stages of drug development, including preclinical studies, clinical trials, regulatory submissions, and post-marketing surveillance. She emphasized how each phase requires skilled professionals, opening up roles in clinical operations, regulatory affairs, pharmacovigilance, medical writing, and project management.

In addition to technical insights, the session covered soft skills essential for the industry such as documentation, teamwork, communication, and adaptability. Ms. Diksha encouraged students to pursue certifications and internships to enhance their employability and stand out in a competitive job market.

Students actively participated in the Q&A session, seeking guidance on career planning, interview preparation, and further studies. The session proved to be highly informative, inspiring students to explore non-traditional yet rewarding career paths in the pharma industry.

The session was attended by **96 students** of IV B.Pharm. Students conveyed their satisfaction with the event. Ms. Ch.L. Madhavi, the session coordinator, expressed gratitude to Mr. Sandeep Gudavalli for his insightful contribution to the session.

Aditya Pharmacy College organized an informative career guidance program titled "*Pharma Global Pathways: Study Abroad Opportunities for Aspiring Pharmacists*" on 21st November 2024. The event aimed to introduce pharmacy students to the wide array of international education options and career possibilities across the globe. The session was facilitated by representatives from IVY Overseas, Kakinada. The resource team included Mr. Y. Lova Kumar, Branch Head; Mr. B. Abhilash, Counsellor; and Ms. D. Bruce Ben Joshi, Counsellor. Together, they shared in-depth knowledge on pursuing higher education in countries such as the USA, UK, Canada, Australia, and Germany.

Topics covered included eligibility criteria, entrance exams (like GRE, TOEFL, IELTS), university selection, application timelines, visa procedures, and scholarship options. They also highlighted the career prospects after graduation, including post-study work permits and professional licensing processes.

Students received personalized guidance during the interactive session, which helped clarify doubts regarding financial planning, course selection, and long-term career goals. The program was well-received, equipping students with the confidence and clarity to explore global academic and professional opportunities in the field of pharmacy.

127 students attended the session among which 31 students from III PharmD, 96 students from IV B.Pharm. participated in the session and expressed their contentment with the event. Ms. Ch.L. Madhavi, the coordinator of the session, extended appreciation to Dr. Akram Ahmad for his valuable insights shared during the session.

On **29th November 2024**, Aditya Pharmacy College organized a career guidance session titled **"Pharma Industry Decoded: Opportunities & Trends Abroad"**. The program aimed to provide pharmacy students with a comprehensive understanding of international pharmaceutical industry dynamics and emerging career pathways.

The resource person for the session was Mr. S. Dileep Kumar, Chief Executive Officer of Arva Overseas & Management, Visakhapatnam. Drawing from his extensive industry experience, Mr. Dileep delivered an insightful talk covering current global trends in the pharma sector, including advancements in biotechnology, regulatory affairs, clinical research, and pharmaceutical manufacturing.

He emphasized the growing demand for skilled pharmacy professionals across countries like the USA, UK, Canada, Australia, and Europe, and outlined the qualifications, skillsets, and certifications required to enter international job markets. The session also highlighted evolving roles in pharmacovigilance, medical coding, data analytics, and digital health technologies.

Students gained valuable tips on tailoring their academic journey to suit global expectations and were encouraged to stay updated with industry developments. The interactive discussion at the end of the session addressed students' questions regarding career planning, internships, and overseas job placements. The event proved highly beneficial in broadening students' perspectives on global pharma careers.

101 students attended the session among which 96 students from IV B.Pharm and 5 students from II, M.Pharm, participated in the session and expressed their contentment with the event. Ms. Ch.L. Madhavi, the coordinator of the session, extended appreciation to Dr. Akram Ahmad for his valuable insights shared during the session.

REPORT

Name of the Program : Future in Drug Safety: Pharmacovigilance and its growing career landscape
Date : 4/2/2025
Resource person details : Abdul Azeem
Pharmacovigilance expert,
Founder & Head
PharmaWiz
Contact no: 8967543556.

On 4th February 2025, Aditya Pharmacy College organized a career guidance session titled **"Future in Drug Safety: Pharmacovigilance and its Growing Career Landscape"** to enlighten students on the evolving opportunities in the field of pharmacovigilance and drug safety.

The resource person for the session was **Mr. Abdul Azeem**, a renowned **Pharmacovigilance Expert** and **Founder & Head of PharmaWiz**. With his deep expertise in drug safety monitoring and regulatory affairs, Mr. Azeem delivered an engaging and informative talk, outlining the expanding scope of pharmacovigilance in the global pharmaceutical industry.

He discussed the critical role of pharmacovigilance in ensuring drug safety, especially with the rise of new therapeutic agents and global clinical trials. The session covered key areas such as Adverse Drug Reaction (ADR) reporting, signal detection, risk management, and regulatory compliance. Mr. Azeem also highlighted career opportunities available in India and abroad, particularly in pharma companies, CROs, regulatory agencies, and data analytics firms.

Students received valuable guidance on the skills, certifications, and training programs essential for building a successful career in pharmacovigilance. The session concluded with an interactive Q&A, during which students actively participated and clarified their doubts regarding career pathways, internships, and industry readiness. The event proved highly beneficial in expanding students' understanding of the growing significance of pharmacovigilance and its promising career landscape.

240 students attended the session among which 107 students from II B.Pharm, 118 students from III B.Pharm and 15 students from L. M.Pharm. participated in the session and expressed their contentment with the event. Ms. Ch. L. Madhavi, the coordinator of the session, expressed sincere thanks to **Mr. Abdul Azeem** for his valuable insights and for inspiring the next generation of drug safety professionals.
