

## LIST OF GUEST LECTURES/SEMINARS/CONFERENCES ORGANISED

Sl.No.	Name of the workshop/ seminar/ conference	Date	Details
1.	<i>Research Methodology:</i> Importance of clinical research and pharmacovigilance	24-11-2021	<a href="#">view document</a>
2.	<i>Research Methodology:</i> Case studies related to neurology, intensive care and infectious diseases	10-11-2021	<a href="#">view document</a>
3.	<i>Research Methodology:</i> Pharmacovigilance: A Step towards patient safety	17-09-2021-23-09-2021	<a href="#">view document</a>
4.	<i>Research Methodology:</i> National webinar on “Career oppurtunities in Pharmacovigilance”	01-09-2021	<a href="#">view document</a>
5.	<i>Research Methodology:</i> National webinar on “Orally disintegrating tablets and methods of manufacture”	17-11-2020	<a href="#">view document</a>
6.	<i>Research Methodology:</i> Hyponated technique: LC-MS, an overview	25-07-2019	<a href="#">view document</a>
7.	<i>Research Methodology:</i> Reseach in Targeted Drug Delivery Systems	20-08-2019	<a href="#">view document</a>
8.	<i>IPR:</i> Patent Filing	03-09-2019	<a href="#">view document</a>
9.	<i>Research Methodology:</i> Correlation Spectroscopy	19-09-2019	<a href="#">view document</a>
10.	<i>Research Methodology:</i> Nonlinear Pharmacokinetics: Factors causing Non-linearity, Michaelis-menton method of estimating parameters	14-03-2019	<a href="#">view document</a>
11.	<i>Research Methodology:</i> Quality by Design (QbD), Six Sigma concept, Out of Specifications (OOS)	04-02-2019	<a href="#">view document</a>
12.	<i>Research Methodology:</i> Academics, Research and Novel Drug Development	27-12-2018	<a href="#">view document</a>
13.	<i>Entrepreneurship:</i> Awareness on Importance of Pharmacy Profession & Encourage to be Enterpreneur	17-08-2018	<a href="#">view document</a>

14.	<i>Research Methodology:</i> Formulation and evaluation of Liposomes, Resealed Erythrocytes and Nano particles	18-08-2018	<a href="#">view document</a>
15.	<i>Research Methodology:</i> Biostatistics in Pharmaceutical Product Development	24-01-2018	<a href="#">view document</a>
16.	<i>Research Methodology:</i> Radio Immuno Assay & Enzyme Linked Immuno Sorbent Assay in Pharmaceutical research	02-01-2018	<a href="#">view document</a>
17.	<i>IPR:</i> Importance of patents and copyrights in drug development	14-12-2017	<a href="#">view document</a>
18.	<i>Research Methodology:</i> Statistical treatment of pharmaceutical research data (ANOVA).	01-09-2017	<a href="#">view document</a>
19.	<i>Entrepreneurship:</i> Pharmaco-economics and outcomes research	05-07-2017	<a href="#">view document</a>
20.	<i>Entrepreneurship:</i> Pharma Business Management	06-02-2017	<a href="#">view document</a>
21.	<i>Research Methodology:</i> Preliminary aspects of molecular modeling studies: docking, pharmacophore modeling	02-02-2017	<a href="#">view document</a>
22.	<i>Entrepreneurship:</i> Entrepreneurship Opportunities in Pharmaceutical Sciences	02-01-2017	<a href="#">view document</a>
23.	<i>Research Methodology:</i> Clinical Study designs and Pharmacokinetics in drug research	29-12-2016	<a href="#">view document</a>
24.	<i>Research Methodology:</i> Micromedex 2.0 overview	29-09-2016	<a href="#">view document</a>
25.	<i>Research Methodology:</i> The principles of statistical optimization in pharmaceutical research and QSAR studies	13-08-2016	<a href="#">view document</a>
26.	<i>IPR:</i> Seminar on Intellectual Property Rights	29-07-2016	<a href="#">view document</a>
